# Our Vision

A global community designed, powered and owned by
our agents and partners, transforming the real estate experience

# Our Core Values

### Community
Be a good neighbor to create a sustainable legacy

### Service
Make positive change in our company and local community

### Fun
Don’t take yourself too seriously

### Sustainability
Be a good financial steward of the environment, the organization and our families

### Agile
Force chaos and change to survive and grow

### Collaboration
We are all on the same field

### Innovation
The best way to predict the future is to invent it

### Transparency
Get things out from behind the curtain

### Integrity
Do the right thing
